

Asba Charter-Party Editor (“CPE”)

- *A secure document editor designed for the Shipping Industry*

“Advanced Editing”

The Asba Charterparty Editor (CPE) is a low-cost, professional system for on-screen editing and updating the electronic charter-party forms with advanced editing features. An office document-management solution for your operations department, accessible at all times, with hyperlinks to your recap summary and associated rider clauses.

The extreme flexibility of the CPE allows for ease and quickness to edit, amend or update the content of the electronic form, using the benefits of the keyboard functions and those of MS Word that many users are already accustomed to.

Additional editing features include:

- Choose your own font colour for ease of executing the forms
- Cut & Paste text directly into the form from an external source
- Use standard MS Word-like editing functions, as well as Page Break/numbering, for a cleaner, more legible final document
