

Asba Charter-Party Editor (“CPE”)

- *A secure document editor designed for the Shipping Industry*

“Customise or Personalise your CP Draft & Final forms”

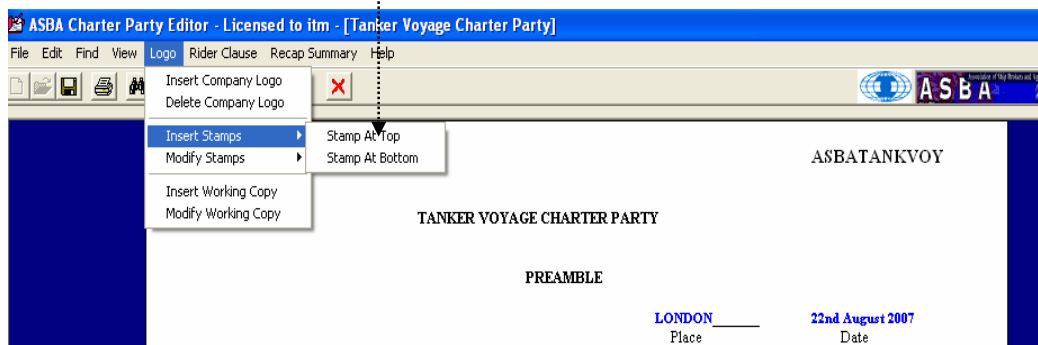

The Asba Charterparty Editor (CPE) is a low-cost, professional system for on-screen editing and updating the electronic charter-party forms allowing for electronic images, corporate identifiers. An office document-management solution for your operations department, accessible at all times, with hyperlinks to your recap summary and associated rider clauses.

The extreme flexibility of the CPE allows for corporate identity of the printed or PDF form, without the need to manually stamp forms or super-impose logo's via a 3rd party product.

Customisation features include:

- Corporate Logo, for the main page
- Watermarks for Working or Draft copy printouts
- Flag/Logo stamp for continuation pages
