

Asba Charter-Party Editor (“CPE”)

- *A secure document editor designed for the Shipping Industry*

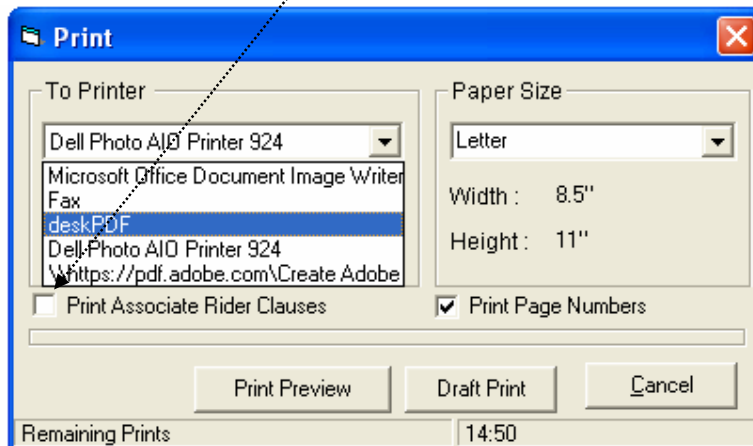

“Flexible Printing”

The Asba Charterparty Editor (CPE) is a low-cost, professional system for on-screen editing and updating the electronic charter-party forms with flexible printing options. An office document-management solution for your operations department, accessible at all times, with hyperlinks to your recap summary and associated rider clauses.

The extreme flexibility of the CPE allows for the printed copy to be onto paper or directly into PDF format, for attaching a file and emailing to the counter-party/ client. In-built printing features include:

- Print to hard-copy Printer or PDF file format
- Define which pages; page breaks to print
- Automatically include the relevant Rider Clause in the PDF document
