

Asba Charter-Party Editor (“CPE”)

- *A secure document editor designed for the Shipping Industry*

“Recaps & Rider Clauses”

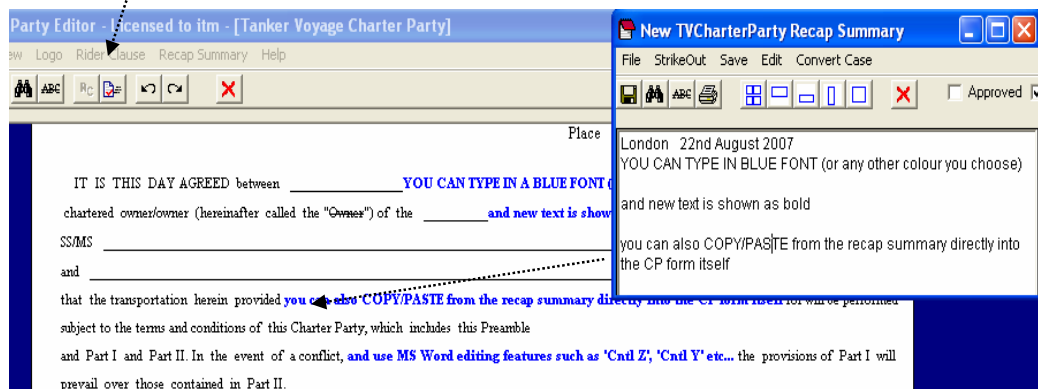

The Asba Charterparty Editor (CPE) is a low-cost, professional system for on-screen editing and updating the electronic charter-party forms from your own recap summaries. An office document-management solution for your operations department, accessible at all times, with hyperlinks to your recap summary and associated rider clauses.

The extreme flexibility of the CPE allows for ease and quickness to edit, amend or update the content of the electronic form, using the benefits of the keyboard functions and those of MS Word that many users are already accustomed to.

Additional editing features include:

- One click to load up the associated Rider clauses (internal hyperlink)
- Update your on-screen recap summary for instant forms editing
- Recap summary is files linked to the specific CP form, for better document management and instant, on -screen referral.
